April 6, 2020 | RE: G.I. Bill Benefits

Student Veterans will continue to receive their GI Bill benefits under [S. 3503](#), which President Trump signed into law March 21. The law enables VA to continue providing the same level of education benefits to students having to take courses online due to COVID-19.

Students receiving [GI Bill benefits](#) are not required to take any action. Benefits will continue automatically. VA will work closely with schools to ensure accurately certified enrollments and timely processing.
