In the past couple of weeks, I have been given many opportunities to serve District 11. I was chosen to serve on the Local and Consent Calendars and Special Purpose Districts committees. I am also honored to serve on the Higher Education committee, which is great news for all associated with Stephen F. Austin State University. I am honored and look forward to being a part of these committees to better represent District 11. Also this week, The House passed a memorial for Tim Hayward, a dear friend who worked tirelessly for improvements for not only Nacogdoches Memorial Hospital, but for the entire community. Thursday, I was chosen as the Northeastern Representative, along with Representative George Lavender, for the House Republican Caucus. Next week I look forward to my first committee hearings as the legislative process continues.
