

ANGIE CHEN BUTTON

The State of Texas
House of Representatives

December 2, 2016

Friends,

I love spending the Holidays in District 112. Christmas season is officially here. I am so honored and thankful for the opportunity to continue representing the wonderful people of HD 112 in Austin. The 85th legislative session is just around the corner and I look forward to taking the oath of office on January 10th. Beginning in January, I will send weekly updates on issues taking place in Austin. I encourage you to contact me with any opinions or questions you may have on legislation moving through the Texas House.

Around the District

I was honored to attend the Richardson EDGE awards last month, hosted jointly by the Richardson Chamber and Richardson Rotary Clubs. They award businesses and organizations that have achieved extraordinary success or investment in the community. The Richardson Chamber also hosted Lt. Gov. Dan Patrick at a separate luncheon where he laid out and explained his priorities for the upcoming session. The City of Garland thanked their citizen volunteers that served as board members and commissioners during the past year at their annual Boards & Commissions dinner. Thank you to all of the community members that served and welcome to all of the incoming members!

On Veteran's Day, I was honored to speak at the Garland Senior Center to the many veterans that served our country. I also was present for Rowlett's ceremony for their veterans. The Hella Shiners held their annual Military Appreciation Dinner later that month as well. Thank you to all of the brave men and women that have served and are serving our country.

I attended the annual Garland Chamber Prayer Breakfast which is always an enjoyable event. The Dallas Citizen's Council hosted their annual meeting just this week, highlighting the most important areas of leadership and service to the people of the greater Dallas area. I enjoyed speaking to Cub Scout Pack 516 based out of Yale Elementary. The older cub scouts have a

requirement to meet with a government official and I was humbled to be chosen to share my story and my responsibilities with them.

District Celebration

Yesterday, I was overjoyed to host one of my favorite events of the year, the HD 112 Christmas District Celebration! I loved spending the evening with the over 100 people that attended this event filled with food, fun, presents, and laughter! This is a small gesture of thanks from the Button family to my district that has given me so much. It was a great night and I had the opportunity to spend time with all of our friends, both old and new. I hope to see even more of you at next year's event!

Angie Chen Button
