A successful week in District 127

First, let me begin by thanking all of you who attended our District Office Grand Opening last Friday. We had such a great turnout of constituents and supporters. I hope you enjoyed seeing our new location as much as we enjoyed having you there.

I believe this new location will be very beneficial to our district. It hosts great space for meetings with conference rooms, a kitchen for our events and wonderful proximity to the King's Harbor Waterfront Village with its great food and beautiful scenery.

I would also like to thank all of you that stayed for the Keller Williams concert that evening. Gary Kyle and the No Standards band gave a wonderful performance and the Blue Star Moms, who were the beneficiary charity for that evening, raised almost \$1000 in donations through raffle ticket sales and were able to collect tons of items to send to service members overseas.

Lastly, I would like to advise you of two upcoming events. Tomorrow, Tuesday, July 19, I will be joining Senator Tommy Williams at the Lake Houston Area Chamber of Commerce monthly luncheon to speak about the 82nd legislative session. The luncheon begins at 11:30 AM at the Kingwood Country Club. I hope you can join us for a Legislative Session Wrap-Up.

Also, Congressman Ted Poe and I will be presenting new flags to the Kingwood Library on Monday, August 25, at 10:00 AM. Please join us as Congressman Poe presents an American flag flown over the U.S. Capitol building and I present a Texas flag flown over the Texas Capitol building. The Friends of the Kingwood Library, or F.O.L.K., will provide light refreshments inside the building.

If you have any questions or concerns, please feel free to contact my Capitol office at (512) 463-0520. And we hope to have the district phone line ready to receive your calls very soon. But feel free to stop by at any time.

Sincerely,

Dan Huberty
