

NEWS FROM THE CAPITOL

REPRESENTATIVE JIM MURPHY

Dear Friends,

Here is the big news: The court has finally issued the interim maps for the House, Senate and Congress. While I am relieved and excited to see the process completed, I am also saddened by the loss to the House and our State. We did not just lose ‘seats’. These were my friends and colleagues and good members. They will be missed.

We worked last session to draw maps that were fair and legal. It is unfortunate that these maps were never ruled on and instead, the work of legislators elected by the people was replaced with maps drawn by appointed judges. The last few months have been hectic and confusing for both candidates and our voters.

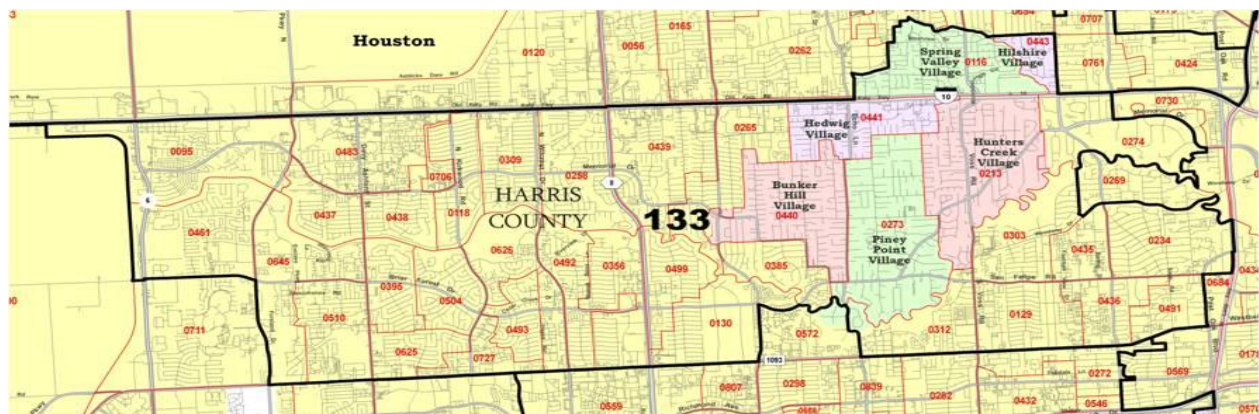

I want to recognize the work and accomplishments of Attorney General Abbott and our leadership in making significant improvements to the maps first proposed by the San Antonio court. We can now turn our attention to the elections ahead and engaging our voters.

We hope that you are enjoying our e-newsletters and ask that you please forward a copy to your friends and neighbors. We want to make sure that everyone who wants to receive updates from the Capitol is on our list. If there is a topic you would like to discuss, or you would like to invite me to speak to your group, please call us at 512.463.0514.

Yours truly,
