Each year, members of the Texas House are invited to select a constituent to create a Christmas ornament that showcases their district.. These ornaments help decorate the Christmas tree that stands in the House Chamber of the Texas Capitol during the holiday season.

District 137 is a diverse community that embraces the spirit of love and unity. This year, our intern Alisson Rodriguez - a senior at Gulfton Force, YES Prep - chose the phrase "Love Trumps Hate" as her inspiration to represent the power of love and the ability to welcome others and appreciate one another's differences.
