STATE REPRESENTATIVE ★ DISTRICT 100

## 2024 INTERIM LEGISLATIVE UPDATE

TEXAS HOUSE OF REPRESENTATIVES

Dear House District 100 Neighbors,

As I'm beginning to conclude the first-term as your State Representative, I look back on the historic wins and gains we have made for our community. We opened our District Office in historic Fair Park, ensured that public dollars remained in public schools, and managed to secure over \$150+ Million for the district. Despite these historic accomplishments, there remains more work to be done.

Many of our neighbors are being forced out of their homes due to rising appraisal values, insurance rates, and gentrification that negatively impacts our community. Our office remains committed to finding support for the homeowners and renters of House District 100, and we plan on working alongside colleagues in the Capitol to find solutions that put money back into your pockets.

I will continue to be your advocate in the 89th Legislative Session for the values and priorities you have entrusted me to represent. Your voices matter and I hope that you utilize your voices again at the ballot box to vote for who you believe best represents your interests at all levels of government.

Please do not hesitate to reach out to our district office with your concerns, ideas, suggestions, or thoughts at [district100.jones@house.texas.gov](mailto:district100.jones@house.texas.gov). Together, we will ensure that House District 100 continues to command the respect that it deserves.

Warm Regards,

Venton C. Jones, Jr.
