NATIONAL ASSOCIATION OF BENEFITS AND INSURANCE PROFESSIONALS

I was happy to meet with the National Association of Benefits and Insurance Professionals (NABIP) on Wednesday. We share the common goal of ensuring access to high-quality, affordable Healthcare and related services due to rapidly escalating medical care costs.

HB 995 & HB 997

With Committee hearings in full swing, I laid out HB 995 and 997. HB 995 ensures that law enforcement and firefighters have ample time to recover from injuries sustained on duty. HB 997 allows law enforcement and firefighters that do not live in the municipality they serve to circulate petitions. Both bills aim to promote and protect them as they serve our community.

REALTOR DAY AT THE CAPITOL

This week, we had the opportunity to meet with the Texas Realtors. Several constituents visited our office to advocate for Texans to purchase, sell, and own real estate without unnecessary burdens and costs.
