

Dear Friends,

Yesterday, I officially filed over 15 bills on issues ranging from property tax relief to criminal justice reform and the protection of our kids. In case you missed it, last week I sent out a detailed list of my legislative priorities and you can view it on my House website [here](#).

This week was a busy one filled with many meetings at the Capitol with constituents, City officials, advocacy groups and more. I enjoyed speaking to the students of Collin College who made the trip down to Austin for Collin College Days.

I was also honored to receive the “Champion Award” from Protect TX Fragile Kids. It has been my privilege to work with them through the years to support and fight for children with medical complexities and their families and our work isn’t done yet!

Reminder! Our District Office is moving! We hope to be settled within the next couple of weeks and will send out an updated address and phone number then. In the meantime, please don't hesitate to reach out to my Capitol office if we can assist you in any way.

Our State Representative
